

Suicide Awareness Month: September 2011

What to do: Print this document on 8.5 x 11 inch sticker paper (try Avery 8165 for inkjet printers) and cut out a teardrop sticker to wear every day in September. When someone asks you about it, tell them the Ladies Auxiliary VFW is very concerned about the high rate of military suicides. We want everyone to be aware of the stresses facing returning soldiers. Share with them the VFW National Home Help Hotline, 1-800-313-4200, as a place to call for help.
